INFORMED CONSENT FOR IN-PERSON SERVICES DURING COVID-19 PUBLIC HEALTH CRISIS

This informed consent document contains important information about our decision (yours and mine) to resume in-person services in light of the COVID-19 public health crisis. Please read this carefully and let me know if you have any questions. When you sign this document, it will be an official agreement between us.

DECISION TO MEET FACE-TO-FACE

We have agreed to meet in-person for some or all future sessions. If there is a resurgence of the pandemic or if other health concerns arise, I may require that we meet via telehealth. If you have concerns about meeting through telehealth, we will talk about it first and try to address any issues. You understand that, if I believe it is necessary, I may determine that we return to telehealth for everyone's well-being.

If you decide at any time that you would feel safer staying with, or returning to, telehealth services, I will respect that decision as long as it is feasible and clinically appropriate.

RISKS OF OPTING FOR IN-PERSON SERVICES

By coming to the office, you are assuming the risk of exposure to COVID-19 (or other public health risks). This risk may increase if you travel by public transportation, cab, or ridesharing services.

YOUR RESPONSIBILITY TO MINIMIZE EXPOSURE

To obtain services in person, you agree to take certain precautions which will help keep everyone (you, me, our families, other therapists/practitioners in the office and other clients) safe from exposure, sickness and possible death. If you do not adhere to these safeguards, it may result in our starting/returning to a telehealth arrangement. Initial each to indicate that you understand and agree to these actions:

- I will only keep my in-person appointment if I am symptom free.
- I will take my temperature before coming to each appointment. If it is elevated (100 m Fahrenheit or more), or if I have other symptoms of COVID-19, I agree to cancel the appointment or proceed using telehealth. If I cancel for this reason, my therapist or practitioner will not charge me the normal cancellation fee.
- I will wait in my car or outside Healing with Grace Counseling Center until no earlier than 5 minutes before our appointment time, unless your therapist/practitioner instructs you otherwise.
- I will wash my hands or use alcohol-based hand sanitizer when I enter the lobby of Healing with Grace Counseling Center.
- I will adhere to safe distancing precautions that are set up in the lobby and therapy rooms. For example, I will not move the furniture from its current layout.
- I will keep a distance of 6 feet from others and there will be no physical contact (e.g. no shaking hands) with me or other people present in the office.

- I will try not to touch my face or eyes with my hands. If I do, I will immediately wash or sanitize my hands.
- If I bring my child, I will make sure that they follow all of these sanitation and distancing protocols.
- I will take preventative steps in-between appointments to minimize my exposure to COVID-19.
- If I have a job that exposes me to other people who are infected, I will immediately tell my therapist/practitioner.
- If I commute or partake in other responsibilities or activities that put myself in close contact with others (beyond my immediate family), I will let my therapist/practitioner know.
- If I travel out of the state of Nevada, I will let my therapist/practitioner know.
- If a resident in my home tests positive for COVID-19, I will immediately tell my therapist/practitioner and we will begin or resume treatment via telehealth.

By signing this document, you agree to the above precautions. Your therapist/practitioner and/or Healing with Grace Counseling Center may change the above precautions if additional local, state, federal orders or guidelines are published. If that happens, I will notify you of any changes.

MY COMMITMENT TO MINIMIZE EXPOSURE

Healing with Grace Counseling Center has taken steps to reduce the risk of spreading COVID-19 within the office. Please let me know if you have questions about these efforts.

IF YOU OR I ARE SICK

I am committed to keeping you, me, other therapists and practitioners in the office and all of our families safe from the spread of this virus. If you show up for an appointment and I, or other therapists/practitioners in the office believe that you have a fever or other symptoms, or believe you have been exposed, I will have to require you to leave the office immediately. We can follow up with services by telehealth as appropriate.

If I or other therapists/practitioners in the office test positive for COVID-19, I will notify you so that you can take appropriate precautions.

YOUR CONFIDENTIALITY IN THE CASE OF INFECTION

If you have tested positive for the COVID-19, we may be required to notify local health authorities that you have been in the office. We may also be required to notify local health authorities that you have been in the office if another person who has entered the office has tested positive. If we must report this, we will only provide the minimum information necessary for their data collection and will not go into any details about the reason(s) for our visits. We will also inform you of our report.

Since there are multiple therapists and practitioners in the office, this information may be shared with the other therapists and practitioners to ensure their safety, the safety of their clients, and the safety of their families.

By initialing here, you agree with these limits to confidentiality for in-person sessions during Covid-19 Public Health Crisis: _____

INFORMED CONSENT

This agreement supplements the general informed consent that we agreed to at the start of our work together.

By signing below, you agree to all of the above conditions.
